

## GFL's unique ministry opportunities during the pandemic

I would like to share with you some of the things God is doing with Gospel for Life. Our focus is especially on men's ministry and in growing a deliberate disciple-making culture. When we speak at different churches and conferences, we are calling men to rise up above complacency and to consider again the eternal value of consecration and sacrificial commitment to our Lord Jesus Christ. It's amazing to see what happens when men are challenged to fruitful service; they come to understand that sacrifice is normal and comfort is not.

### The Lord has been providing some creative ministry opportunities during these times of restricted assembly.

Dedicated men are coming out on Saturday mornings in order to be accountable to one another and to grow spiritually. In addition, at a recent GFL men's seminar this month, a number of spiritual needs came to the surface. I'll share these needs in the form of questions asked by the men:

*Spiritual growth seminar this month in Los Alamitos, CA. "How Convictions become Christian Character."*

*Jay utilizing his art during the seminar training.*

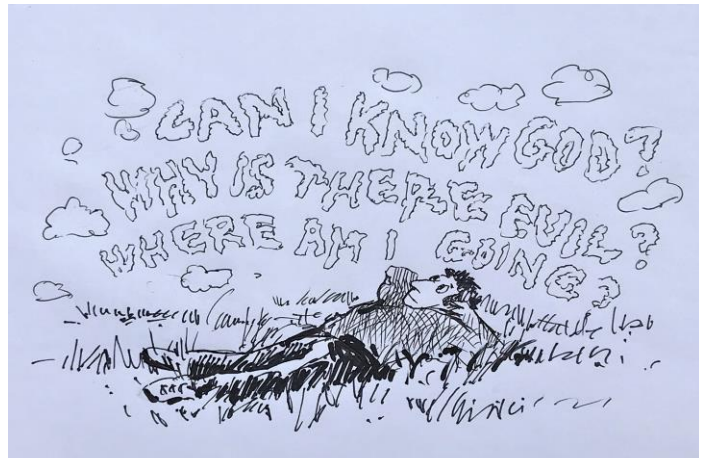

- 1.) *What is the path to a clear conscience so that I can confess Christ and share the gospel as a lifestyle?*
- 2.) *Where does discipleship fit into my growth?*
- 3.) *How can I have my private fears addressed when I feel that they are crippling me?*
- 4.) *How does assurance of salvation become a crucial factor in risking ministry?*

It's interesting that in each of these questions, focused discipleship is normally what God uses to move men past blockages to their sanctification.

**An additional way the Lord is blessing GFL ministries is by allowing us to write Christian worldview curriculum for a home school group that meets at Grace Community Church.** This worldview course is a vital strategy to equip high school students to stand for Christ, and to become competent in responding to our anti-Christian culture. After graduation, many of these students will be attending secular universities, and consequently will be plunged into an atmosphere of secular dogmatism, and moral confusion.

**In order to resource these ministries, we depend in part upon the friends of GFL to extend to us a line of support.**

This month one of our donors desired to do even more, and wanted to see our end-of-year donations doubled. **He has offered to match funds up to \$5000. Please keep us in mind for your year-end giving; your donation to GFL would be matched and thus, doubled.** We wanted to share this with you—we value you greatly.

**At GFL we are actively training Christ-followers to be disciple-makers.** The blessed result is that the local church can become a disciple-making community. If you'd like **Jay** to present a seminar on **Evangelism, Discipleship, or Christian Worldview** at your church or school, please contact him at [jaywegter@gmail.com](mailto:jaywegter@gmail.com)

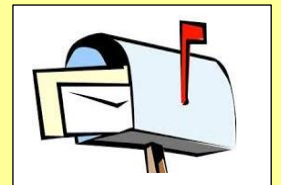

**Please pray for:**

- Please pray that the new believers in our men's study would be established in the faith.
- Please pray that Jay's writing of Biblical worldview curriculum would powerfully equip high school students to be able to resist the rising tide of apostasy that is currently ravaging our culture.

*Our mission at GFL is to help equip individuals and churches to more fully embrace The Great Commission.* The training we offer in evangelism and discipleship is 'hands-on' equipping. Instead of training in theory alone, we demonstrate how these Biblical commands can immediately be put to use.
